Welcome to our Second Annual Best of the Best Morning Sentinel Readers' Choice Awards results section.

A message from the Advertising Director:

We would like to congratulate all of the area businesses who are recognized as first, second and third place finishers in our approximately 70 categories. And special thanks to our readers who took the time to complete our ballots, published in the Morning Sentinel and on centralmaine.com. Your votes made it possible for us to feature the businesses whose services you enjoy in this special format.

What better recognition for a business than to be nominated as the Best of the Best for their particular category? It is truly special for customers to take the time to complete a nomination – a chance to thank the multiple businesses they come in contact with on a daily basis – truly our **readers'** choices.

Once the ballots were tabulated, we determined the three top finishers in each category, to be featured in this Best of the Best Results Section. First place finishers will receive a plaque and participate in a Best of the Best Reception. Second and third place businesses will receive a certificate of recognition.

Please take the time to review your selections, and to read the ads that some of the businesses have placed, thanking you for your confidence in them. The central Maine area is fortunate to have some of the finest businesses and service providers in the State. And, while this section does not cover all of the possible categories, we've certainly addressed quite a few.

In April, we will roll out the same balloting process in the Augusta area, with a ballot section inserted in the Kennebec Journal and included on centralmaine.com. Once again, readers will be invited to vote for their favorites in each category. Then, in June, we will publish a Results section similar to this one, with the selections in our Kennebec Journal towns.

We would also like to sincerely thank our Chamber of Commerce partners for their assistance in getting the word out and promoting our balloting process. Special thanks go to the Mid-Maine Chamber of Commerce, the Skowhegan Chamber of Commerce, and the Franklin County Area Chamber of Commerce.

Please be sure to watch for our 3rd Annual Morning Sentinel Best of the Best Readers' Choice Ballot Section publishing in our newspaper and online in November 2019.

Our sincere appreciation to our business partners, and to our readers for your participation.

Best,

Cindy Stevens
